

# Pro-Inspector access to GDPR documents

Version 1.1

22-05-2018

## Introduction

The General Data Protection Regulation (GDPR) harmonizes data protection laws in the EU that are fit for purpose in the digital age. By introducing a single law, the EU believes that it will bring better transparency to help support the rights of individuals and grow the digital economy.

The GDPR imposes new rules on companies, government agencies, non-profits, and other organizations that offer goods and services to people in the EU, or that collect and analyze data tied to EU residents. Even organizations outside Europe need to be compliant, or otherwise face significant penalties.

The following are the GDPR documents that explain the Pro-Inspector GDPR compliance.
